experience any side effects. 6] I should remain in the area for observation for 15 minutes unless I have a history of an immediate allergic reaction of any severity to a vaccine or injectable therapy or if I have a history of anaphylaxis due to any cause, I should remain in the area for observation for 30 minutes after the vaccination. If I leave the area without waiting, I acknowledge that I am doing so at my own risk and against the advice of the professional who administered the vaccine. 7) I have read, or have had read to me, the Vaccine Information Statement(s) ("VIS") or Emergency Use Authorization ("EUA") provided for the vaccine(s) to be administered. I have had the opportunity to ask questions, and all my questions have been answered to my satisfaction. I understand the benefits and risks of the vaccine(s). B) I have been offered and/or provided a copy of the company's Notice of Privacy Practices in compliance with the Health Insurance Portability and Accountability Act (HIPAA). 9) This vaccination, including any vaccination granted additional privacy protections under state or federal law, is subject to reporting by my pharmacy or its business associate to an immunization registry, which may share my immunization data with others, and to my primary care physician, the authorizing physician, or the local Department of Health, if applicable, and I authorize these disclosures. (*New Jersey Only: I authorize \_\_\_\_\_ do* not authorize the right to object to the sharing of my date to the abarone that failure to check authorize/ne authorize/ne authorization.) (South Dakota, Maine, Massachusetts, and New Hampshire only: I understand that palitoric is normaling, buch registries.). For minor's parent or quardin, below consent confirms receipt of written notice to visit a pediatricina annually.
